## Aspiring Frontend Developer | Passionate About Crafting User-Centric Solutions

Fluent in English and Mandarin | Based in Copenhagen | Valid Work Permit

## PROFILE

A fast learner transitioning into tech, currently pursuing front-end development at ReDI School in Copenhagen. As a former teacher, my experience leading a digital transformation project motivated me to focus on creating user-friendly, customer-focused solutions, reinforcing the importance of agile and collaborative environments. Proficient in HTML, CSS, and JavaScript, I bring strong analytical thinking, adaptability, and communication skills to work effectively in cross-functional teams. I am eager to contribute to Danske Bank's mission of delivering innovative, user-centered solutions while continuing to grow as a developer.
